- anti-bacterial
- solvent-free finish

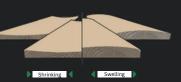

Humidity Resistant Core

Multilayer birch plywood core, suitable for the Philippine climate.

Superior Stability

Interlocked layers prevents warping, even under constant moisture.

Why

Listone Giordano

QUALITY

Engineered Wood

- Multi-layer structure ensures high stability
- Crystalcare® shields surface from household liquids
- Certified safe for children (EN 71-3)
- Protects against microbes and pathogens

Solid Hardwood

- Prone to warping from uneven moisture
- Absorbs water, **retains mold**, hidden flaws appear on surface
- Without anti-toxic treatment, termites may infest
- Surface prone to deterioration and dirt buildup

Why

Listone Giordano

INSTALLATION

Engineered Wood

- Glue-down application, no hollow sound
- **Direct installation** is highly efficient and stronger base support
- Walk-on ready immediately after installation
- No sanding or polishing needed
- Precision cut for a perfect fit

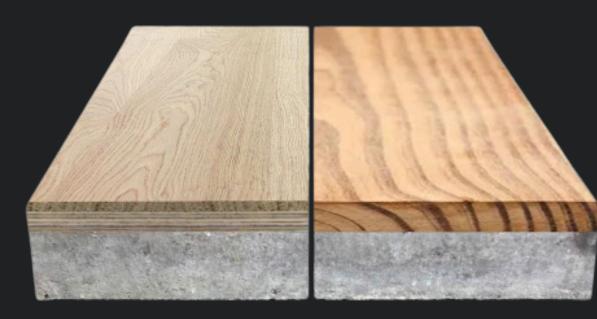

Solid Hardwood

- Complicated application, needs blind nailing
- Requires **sub-flooring** first before installation
- Must settle for weeks before use
- Requires crack filling, sanding and polishing
- Uneven edges, may splinter

Why

Listone Giordano

MAINTENANCE

Engineered Wood

- Crystalcare® Protection
- Clean with a regular mop for easy upkeep
- More practical and suitable for use anywhere in the home

Solid Hardwood

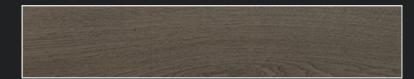

- Requires re-waxing for lasting protection
- Needs deep cleaning to remove dirt, oil, stains, and odor buildup
- High maintenance costs to preserve appearance and durability
